

■ **Applications:**

Containers, Truck Doors, Trailers, Warehouses, Refineries, Storage Tanks etc.

■ **Material:**

Casing: Aluminium Alloy

Cable: Non-performed galvanized steel

■ **Color:**

Red, Blue, Green, Black, Orange, White (Metallic) are standard colours

(Special Colours can be provided)

■ **Packing:**

- 200 & 250 mm - 500 seals per carton
- 250 to 400mm - 250 seals per carton

Features:

- Locking mechanism with unique design ensures the seal is firmly secured against any possibility of tampering
- No possibility of re-sealing of cables as non-preformed cables unravels once after cutting
- Robust design protects high-value cargo shipment
- Highly tempered proof laser marking
- Certification as per ISO 17712: 2013 & C-TPAT
