

## Applications:

For supporting & holding cable / wire bunch of different diameter

## Material:

Nylon 6: UL 94 V-2 (backed with double sided rubber adhesive tape)

## Color:

Natural

## Operating Temp:

-29°C to +49°C (Max. Intermittent Temp. I.e. less than 2 hrs. 70°C)

## Unit:

100 Pcs/Pkt

## Features:

- Multistage, locking design can accommodate different cable size in one clamp
- Rubber based closed cell foam adhesive is used for better surface adhesion

Item Description	Length L (mm)	Width W (mm)	Height H (mm)	Max. Bun. Dia (mm)	Cat. No. Natural
